Brief Synopsis

Current Situation as of 1645 hrs

There are less than 20 people on Parliament Hill and there are a further 5-600 people in and around the Wellington, Elgin and Rideau/Sussex corridor. There has been no change in the geographical boundaries.

There are currently 213 officers assigned to event:

OPS officers (includes CSET FLD officers): 47

Peel Regional Police: 6

Durham Regional Police: 10

RCMP officers: 19

OPP officers: 31

POU officers: 100 (60 OPS, 40 OPP)

Traffic officers are currently engaged in ongoing, active enforcement with our partners at MTO and Transport Canada. PLT members continue engagement with the different factions.

The crowd dynamics are evolving into a more emboldened party crowd in the later part of the afternoon. BBQ's were set up at Rideau and Sussex to provide food. There has been ongoing engagement with the people at this site to address these issues.

A shipment of portable toilets arrived and most were turned away. West FLD officers attended the business to have the matter addressed, but the officers were turned away by the owners. A report has been submitted.

A large commercial tent was being set up at Wellington and Bank. Multiple officers intervened and the property was removed by the business employees under police direction under growing crowds.

Airport Detachment was contacted and confirmed that a slow roll protest did NOT occur at their site today.

Interventions are continuing with Bylaw officers embedded within QRT to more effectively and safely manage response to community concerns within the footprint.
